Term 2 Week 8

8<sup>th</sup> June

## From the Principal

It has been another busy and rewarding fortnight at North Dandalup Primary School, with students continuing to demonstrate enthusiasm for learning and a strong commitment to our school values. It has been wonderful to see our students embracing opportunities both in and beyond the classroom while continuing to build positive relationships with their peers and teachers.

One of the highlights of the past two weeks was our whole-school Tree Planting Day at the North Dandalup Town Oval. This fantastic event provided students with the opportunity to contribute to the local environment while learning about the importance of sustainability and caring for our community. A sincere thank you to Mrs Maddern for organising the day and ensuring everything ran so smoothly. Thank you too, to our staff and students for their awesome efforts on the day. We were also fortunate to have the support of Men of the Trees, whose members worked alongside our students, sharing their knowledge and enthusiasm. It was particularly pleasing to see such a strong turnout of parent volunteers. Your support helped make the day a great success and demonstrated the strength of our school community. The students should be very proud of their efforts and the positive contribution they have made to the local environment.

The long weekend also provided an opportunity for our staff to participate in a School Development Day alongside colleagues from across our network of schools. These collaborative days are valuable opportunities for staff to engage in professional learning, share best practice, and work together to strengthen teaching and learning across our schools. The commitment shown by our staff to their ongoing professional growth ultimately benefits every student in our care, and we look forward to implementing the ideas and strategies explored during the day. I would like to thank our students, staff, and families for their continued support and commitment to making North Dandalup Primary School such a positive and welcoming place to learn. Together, we continue to create opportunities for every student to thrive and succeed.

Rise and shine, North Dandy! 😊

The biggest impact happens when we work together. Hugh will explore topics and provide tips and strategies to you as parents and carers to help your child(ren) build strong relationships, strengthen self esteem and grow into their authentic self.

### **Will it be recorded?**

Yes, and the recording will be sent to your child's early childhood service for distribution to families.
