SWIMMING CARNIVAL - Thursday 8th May

We held the 2025 Faction Swimming Carnival at the Mandurah Aquatic & Recreation Centre on Thursday 8th May, and what a fantastic day it was.

The beginning of the day threw a few curve balls with road works causing traffic delays and then the provided PA system not working. But after the initial hiccups the rest of the day went... wait for it... swimmingly! Thank you to our amazing P & C for providing the yummy lunch and thanks also to all our families who came along to scream for their team.

This was the first time we had held our carnival at the MARC and it proved to be an awesome day. Everyone put their heart and soul into their races and we would like to congratulate ALL of our competitors. The final results for the day were:

North Dandalup
PRIMARY SCHOOL

Meet the staff

Miss Alysha Mitchell

Hey! My name is Alysha and I'm super excited to be a part of North Dandalup Primary School. I'm absolutely loving my time teaching the amazing Year 2's and sharing the fun of science with students across the school, which means I get to blow a few minds (and thankfully not the classroom)!

This is my fifth year of teaching and it has been so great to bring my experience into a school that is so welcoming and full of energy. I believe in creating a classroom where students feel supported to ask questions, explore new ideas and take risks in their learning. There is nothing more rewarding than seeing a student's face light up when they grasp a new concept.

I am so happy to be a part of this community and look forward to working together to make this year full of fun, growth and learning for your children.

PRIMARY SCHOOL

Meet the staff

Ms Taylah Nuttall

Hi, my name is Taylah but the students call me Ms Nuttall.

I am a mother of two young girls, I love being a mum, they have taught me a lot. We love being outdoors exploring and doing things together. Before I became a mum I was a disability support worker for 4 years, I found that job very rewarding and loved it but I was ready for a change in life.

I am in my first year of being an Education Assistant. I believe in building a good relationship with students to be able to see their best possible outcomes.

Everyone at North Dandalup has been very welcoming and made me feel very comfortable. I've enjoyed every moment at North Dandalup and can't wait to make more memories with everyone.

PLANT CUTTINGS FOR ENVIRONMENT

We are requesting any plant cuttings that parents or community members might be happy to part with, of flora that can be easily propagated for our environment lessons.

We do ask that they are only delivered on Monday mornings as that is when we have the capacity to plant them properly into soil. All donations are truly appreciated.

BREAKFAST CLUB

Change is coming! Today will be the last day of cheese toasties for a while.

Commencing this Wednesday, students will be able to have fresh toast with vegemite or jam, yoghurt and fruit, hot milo or chocolate quick.

Everyone is welcome to come and enjoy a yummy and healthy breakfast to fuel their bodies and brains with energy to start the school day.

We would be unable to continue Breakfast Club without the assistance of our fantastic volunteers.

If anyone had a few hours to spare each week to help us on these days, we would love to see you.

Carnaby Cafe News

Can you help us get Carnaby Cafe open

Did you know that our school canteen is proudly governed by WACSSO and Foodcore? These organisations help us ensure that we meet the highest standards for food safety, nutrition, and quality for our students. Part of that is to have a qualified Canteen Supervisor. However, due to not having a dedicated Canteen Supervisor, we haven't been able to open yet this year.

The good news is we now have someone interested in taking on this role! But to get our canteen up and running, we still need your help to support her.

Volunteering in the canteen is a fantastic way to get involved, meet other parents, and contribute to our school community. Even just a few hours can make a big difference. Whether you're a seasoned food handler or new to the idea, we'd love to have you on board! To help us understand your availability and any relevant experience, we've included a short questionnaire.

If you're interested, simply fill out the form. Your support is incredibly valued and helps us keep this important service running for our students.

Thank you for considering joining our canteen volunteer team. We appreciate your support!

Any questions please get in touch with any P&C committee members or email ndps.pc@gmail.com
