North Dandalup
PRIMARY SCHOOL

Term 3 - Week 3

29th July 2024

From the Principal

This week sees the gradual opening of the newest addition to our school – The Dandy Discovery Den. This fantastic concept was dreamed up by two of our teachers, Mrs Maddern and Mrs Brabyn to provide a quieter play area for those students who may need it. A huge thank you must go to these teachers for creating this amazing space, and also Mrs Maddern's husband Matthew who helped Mrs Maddern lay the artificial turf on the weekend. Over a number of months, many plans and hours of organisation have resulted in this community library opening for our students to enjoy. The space, located between the main building and the sports shed has been re-painted, had some artificial turf laid and filled with donated books. There is also space to draw, read and relax. Each day this week, our year levels will take turns to try out the new space, before everyone can access the space on any day. Once fully up and running, students can take a book home to read if they choose, as well as contribute to the library as a kind of 'take one, leave one' principle. We have encouraged our students to apply the school 4Rs values to take care of this new space, I'm looking forward to seeing our students and community enjoy the opportunity this initiative provides.

Last week the whole school took part in our annual local tree planting day. We continued our work on the wildlife corridor between the school and town, assisted by Men Of The Trees. We planted heaps of trees and the area is now fully vegetated.. Thank you once again to Mrs Honeybone who coordinated the whole day and to our parent helpers who volunteered on the day. Our Year 6 leaders did a brilliant job of leading the younger students through the whole day – we are very proud of their leadership skills!

As the Principal of this great school, it makes me extremely proud to be a part of the fantastic things that go on at North Dandy throughout the year. We have dedicated, caring staff who work hard everyday to create opportunities for our kids. Our students never cease to amaze me in the way they work together to achieve great things. The responsible and resilient attitude (especially when it rained during tree planting!) is really pleasing to see and what we have come to expect from our amazing students.

Rise and Shine, North Dandy! 😊

BREAKFAST CLUB

Breakfast Club runs from 8.15am to 8.30am every Monday and Wednesday of Term 3.

Everyone is welcome to come and enjoy a yummy and healthy breakfast to fuel their bodies and brains with energy to start the school day.

We are also looking for a few more volunteers. So, if anyone has a few hours to spare on these days, please let the office know if you can help.

ASSEMBLIES

Congratulations to the following students who received Values Awards at our first assembly last Wednesday:

Kindy – Ella Duncan & Luca Gill

Pre-Primary – Lucy Elson & Mathilda Sargent

Year 4/5 – Pippa Cavalli & Beau Topping

Year 5/6 – Peter Cudmore & Leyton Gardiner

Assemblies will be held fortnightly on even weeks. Our big assemblies will be held in Week 4 and Week 8. Small assemblies will be held in Weeks 6 & 10.

CANTEEN

Unfortunately, the school canteen will not be open this week but will reopen for Term 3 next Friday week, 9th August.

Our menu and ordering systems have been totally revamped by the P & C and all details including a new menu will go home with students soon. **Watch this space!**

TREE PLANTING

While we had a few showers and got a little bit wet, tree planting was once again a huge success. Thank you to our parent volunteers who dragged themselves out into the cold last Wednesday to help us on the day. Many thanks to Mrs Honeybone for her organisation of the day (including her yummy chocolate cake), thanks also to the Men Of The Trees volunteers who provided us with the plants earlier in the year and assisted us today. And a big thank you to all the students and staff who put their brave faces on and did an amazing job planting out in the wildlife corridor.
