Term 3 - Week 5

12th August 2024

From the Principal

On Tuesday 27th August, we will hold our school Learning Journey evening. As the Principal of our amazing school, this is one of the events on our calendar that I look forward to the most. Last year's event was absolutely fantastic. The evening is an opportunity for our whole school community to take the chance to visit the school together, wandering around to experience some of the learning that has been going on in our classrooms. The atmosphere around the school last year was lovely, we had almost all of our families join us, including some extended families – grandparents, uncles and aunties included.

Feedback from our families last year was to start a little earlier, so this year we will kick off at 4.30pm and wrap up at 6.00pm. All of our learning spaces will be open, the Pathway to Nature will be lit up and the library will have some of our students' artwork displayed. This year The Dandy Bean will also be here for a nice warm drink.

Our staff are looking forward to seeing everyone at our Learning Journey and soaking up the atmosphere at our great school.

Rise and Shine, North Dandy! 😊

Todd Clark
Principal

Thank you

BREAKFAST CLUB

We are also looking for a few more volunteers. So, if anyone has a few hours to spare on these days, please let the office know if you can help.

LEARNING JOURNEY TUESDAY 27th AUGUST 4.30pm - 6.00pm

BOARD PROFILE

During the course of this term, we would like to introduce you to some more members of our School Board.

North Dandalup
PRIMARY SCHOOL

Meet the board...

Chris Burgess

Our family has recently joined the North Dandalup Primary community, with our eldest child commencing Kindergarten this year and our second child due to start in the not too distant future. I work in the education sector and have had the opportunity to live and work in many places throughout Western Australia. Outside work I give back to the community through my involvement in football umpiring and bush fire brigade operations. All of these experiences have helped shape me to be the person that I am today and allowed me to build a diverse skill set which I hope can benefit the North Dandalup Primary community.

With our eldest child commencing schooling, I saw the opportunity to join the school board as a way to give back to the school. As a parent representative we play an important role in supporting the school to improve outcomes for all students. I see my role as a parent representative to work in partnership with the school so that it reflects the aspirations and goals we, as a community, have for our children. As the saying goes, it takes a village to raise a child! While we have only been a part of the school for a short time, a strength I have noticed about North Dandalup Primary is the positive culture that is evident and the willingness for staff to connect and get to know students. The strong sense of belonging for our children is something we should be proud of.
