Mr Clark	Welcome	Mr Clark welcomed the group of students to the meeting. Mr Clark shared some of the success stories from the outcome of previous meetings such as plans for new playground and trampoline.  We also discussed what the purpose of the meeting WAS for and what it WASN'T for. The meeting was to allow students to raise issues that they feel are important in their school, and not just coming up with a list of problems.
	<b>Class members</b>	<b>Discussion Points</b>
Koolbardi	Emmy Isla	<ul style="list-style-type: none"> <li>• There isn't much room to sit near our class. Can we add a bench and a table in between the library and our class? SL – this might be out of view of the duty teachers</li> <li>• We can't play on the hopscotch near the canteen. Can we get some put in where kids can use them? Like basketball court or lunch area / undercover area / or footpath near the library?</li> <li>• Trampoline – people are starting to push in again – can we put the line of dots back on the grass? Yes! SL – Could we use the dot pins?</li> <li>• We love Fresh Fruit Friday and working on the ipads and how much nature our school has.</li> </ul>
Scarlet Robin	Willow Yuan Isla	<ul style="list-style-type: none"> <li>• The skipping ropes are tangled. Can we get some rope hooks or some way of hanging them up? The bucket is not working.</li> <li>• Can we get a gym at the school? Exercises and weights. Including gymnastics – bars, beams. SL input – maybe we could do fundraising or something</li> <li>• Some little kids are fighting over the coloured blocks. Can we get some more? SL – we might only need a couple more. The teachers could bring this up at the assembly. Could there be more than one teacher on the oval to help with the trampoline and other things?</li> </ul>

Blue Tongue Lizard	Jack C Oscar Lizzy	<ul style="list-style-type: none"> <li>• Swings – they are so squeaky. Can we replace the parts or can we grease them?</li> <li>• We were promised a nature playground, but some kids are destroying the logs. Can we build the nature play? Yes, we can! Mr Clark had a meeting with Mrs Bennett today and the playground is coming soon. Hopefully during Term 2.</li> <li>• Can we get some more swings. There is almost always a line.</li> <li>• The demountables are taking up too much oval space.</li> </ul>
Yaarkin	Jesse Rory Marnie	<ul style="list-style-type: none"> <li>• Can we get another drink fountain for the back of the oval for the senior kids?</li> <li>• Can we get more access to the new classroom ramps? Can we get a gate put in so we don't have to walk all the way around.</li> <li>• Air conditioners aren't cooling the classrooms properly. Can we switch on the other air conditioner?</li> <li>• Year 6 upgrade – Mr Clark is aware of this from previous meetings.</li> <li>• Not enough toilets for the amount of students. Mr Clark has already written a letter to the Dept of Education about this. They know about it now but there aren't any available yet.</li> <li>• We could introduce clubs around the school again.</li> </ul>
General Business		<p>Could we get a sign for the sports shed so kids don't go in there? Staff and Year 5/6 only.</p> <p>What's Working Well From now on, all meetings will start with something we love about our school. Trampoline is going well</p>
